

# Swing Dance America (SDA) Rules

## General Rules

### Statement of Swing

Swing is an American Rhythm Dance based on a foundation of 6-beat and 8-beat patterns that incorporate a wide variety of rhythms built on 2-beat single, delayed, double, triple, and blank rhythm units. The 6-beat patterns include, but are not limited to, passes, underarm turns, push-breaks, open-to-closed, and closed-to-open position patterns. The 8-beat patterns include, but are not limited to, whips, swing-outs, Lindy circles, and Shag pivots. Although they are not part of the foundation of the dance as stated above, 2-beat and 4-beat extension rhythm breaks may be incorporated to extend a pattern, to phrase the music, and/or to accent breaks.

The objective is to provide a competitive performance venue for the various unique styles of swing that have developed across the nation to include the Carolina Shag, Dallas Push, East Coast Swing, Hand Dancing, Hollywood Swing, Houston Whip, Imperial Swing, Jive, Jitterbug, Lindy Hop, Rock-n-Roll, and West Coast Swing, to name a few.

This statement will be used only to identify the presence of Swing content in a performance. It is not intended to be a full definition of Swing, or to be used to evaluate the quality of the performance. Each Judge will evaluate the presence of Swing content, which will be one of the criteria that determine a final score.

### **Judges**

There will be a minimum of (5) judges for all competitions. In addition, SDA will have a Chief Judge and alternate judges available. A referee judge will be used for all routine divisions. All judges scores are final.

### **Judging Criteria**

The Relative Placement System will be used to judge all competitions. All Competitors will be judged using the following criteria:

**Prelims:** All call backs in Prelims will be judged; using World Swing Dance Council call back system.

**Timing** – “How Your Body Connects to the Music”. Swing is a dance beginning on the downbeat. Timing extends to more finely distinctions than a single beat. It includes fractionally ahead or behind the beat, as well as matching the syncopated “swing” of the music.

**Technique** – “How Well You Do What You Do.” How well the Competitors execute the movements comprising their dance constitutes technique. We are looking for good footwork, balance, control, frame, and how well turns & spins are executed, and control of arms and hands.

**Teamwork** – “How Well You Work Together.” Swing is a connected, partner dance. The demonstration of this connection and the appearance of lead/follow or action/reaction between the partners is an expected part of any competition. It is the ability to work together as a team. One partner ignoring or out-dancing the other, or jeopardizing the safety of the other (or other Competitors), indicates poor teamwork.

**Content/Choreography** – “What You Do.” The selection and order of movements and transitions executed during a dance comprises choreography. Good choreography demonstrates an intimate connection with the music and its phrasing, as well as variety and contrast of movements. **Choreography must be tasteful and respectful to the audience.**

**Showmanship/Presentation** – “How Well You Sell What You Do.” To create an atmosphere of excitement by inviting and generating interest in a performance is the desired effect of good

presentation. While providing a good show is one aspect of presentation, a good show is not a substitute for good dancing.

### **Swing Content**

In all divisions, the amount of Swing content that is required or allowed will be evaluated by each judge. A judge will mark his score sheet as follows.

1. **Swing Warning** - If a judge feels there may not be enough Swing content in a routine, they will mark their sheet with an SW and their score will not reflect a lower score.
2. **Swing Violation** – If a judge feels there isn't enough Swing content in a routine, they will mark their sheet with an SV and their score will reflect a lower score. Each judge will determine how much to lower the contestants' score.

Review your division for requirements or restrictions.

## Division Rules

### General:

- At the discretion of the event director(s), contestants may be as young as fifteen (15) years by the end of the event to participate. If a YASDA or Juniors division is offered during the event weekend, the minor may not compete in both contests with the same partner.
- A couple may consist of opposite- or same-sex dance partners
- The maximum number of entries in each division is at the Event's discretion. Minimum number of entries = three (3). If there are less than three (3) couples, the event shall offer the competitors the opportunity to perform an exhibition, with judges' feedback.
- Expected swing content of any style is 70%. It is at the judges' discretion to determine that the swing content has been met.
- An individual is not permitted to dance twice within the same division; other than the "Pro" in ProAm Divisions.

### Specific

- Performance time is a minimum of two (2) minutes and maximum of three (3) minutes.
- Competitors select their own music.
- Costumes are required.
- Time and judging starts at first movement of performance with or without music.

- Separate entrances are permitted, but must come together within thirty-two (32) beats of the music intro.
- Break-a-ways and side-by-side patterns are permitted, not longer than eight (8) beats.
- Lifts are optional but not required.
- Maximum five (5) partner weight support moves with at least one foot on the ground.

**Restart Guidelines:**

Couples may request a restart in the following cases:

- The DJ plays the wrong music for your routine.
- The sound system fails.
- Shoe breaks, costume malfunction, or loss of a vital piece of clothing.
- Lights go out in the ballroom during the performance.

Contestants may NOT request a restart in the following cases:

- Dissatisfied with their dance order.
- Dissatisfied with their performance.
- Dissatisfied with their partner.
- Dissatisfied with their music.
- Failure to remember part of the routine.

- If a contestant is injured during their performance. This is for safety concerns.

If a couple completes their routine, but believes they should be allowed to restart due to special circumstances, they **MUST** make their request to the CJ prior to leaving the competition floor.

- If the CJ approves the request, the couple may elect to perform their routine again with the previous performance scores voided.
- If the CJ denies the request, the performance that was completed will count towards scoring the contest.

If a couple has not completed their routine, but believes they should be allowed to restart due to special circumstances, they **MUST** make their request to the CJ prior to leaving the competition floor.

- If the CJ approves the request, the couple may restart their routine with the previous performance scores voided.
- If the CJ denies the request, the couple will be scratched from the contest.

The Chief Judge (CJ) may call a restart without the request of the couple if the CJ believes it is fair and in the best interest of the contestants and their fellow competitors. In this case, the couple will be allowed to restart after the next couple in dance order or at the discretion of the CJ.

- The couple may decline the option to restart if they are satisfied with their completed routine.
- If they did not complete their routine, and opt out of the restart, the couple will be scratched from the contest.

## **Judging**

The purpose of Rising Star is to educate and support newer routine competitors. Rising Star routines should be designed to "push" the dancers to grow, rather than "playing it safe". However, routines should not be so far beyond the dancers' skill levels that they are struggling to authentically "own" the dance.

Beside the rules, judges' scores should take into consideration:

- The amateur status of the competitors. The wide variety of regional expressions of Swing dance.
- The appropriateness of the song and choreography choices for the skill level of the dancers.
- The difficulty level and complexity of the dance skills.

## **Judging & Judging Staff Guidelines**

- All scores count. No scores can be thrown out.
- Judges are encouraged to scribe competitors feedback in addition to scores.
- Chief Judge will make judges sheets transparent and available after awards upon request.
- Judges' feedback comments may be shown to competitors for educational purposes. Please consider their appropriateness, helpfulness, and clarity.
- Minimum of seven (5) Judges.
  - o No more than three (3) of the five or seven Judges should be Tour Event Directors.

- o No more than three (3) of the seven Judges should be from the same Region (micro-region), Club or Studio.
- Events are discouraged from assigning Significant Others to serve on the same Judging panel, with the exception that one of the partners is a Chief Judge and one is a Referee Judge.
- Mock Judges should not be on the floor with official Judges, so that there is no confusion about who is judging.
- No current RST competitors may serve as Judges.

## **Placement Reporting**

Placements should be reported by the event or whoever handles the event's scoring to [scores@risingstartour.com](mailto:scores@risingstartour.com) no later than seven (7) days after the end of the event.

If contestants under the age of eighteen (18), but at least fifteen (15) years by the end of the event, danced in the contest, please indicate which couples included these contestants with "M" for minor.

## **Points Awarded**

- Single point increments, starting with one (1) point for last place. This ensures every couple's result is registered, and points increase with the size of the contest.

Example, in a contest with nine (9) couples:

9th/1, 8th/2, 7th/3, 6th/4, 5th/5, 4th/6, 3rd/7, 2nd/8, 1st/9

- No points (performance only) when less than three (3) couples
- Each dancer must be eighteen (18) years or older by the end of the qualifying event to earn points towards graduation during a tour year.

### **Event Prize Standards**

- Minimum prize package should include trophy, event pass, and cash. Additional prizes can be offered in the form of products & services.

### **GENERAL:**

2. Gender Neutral
3. Choose 1 Role – Lead or Follow (Competitors cannot compete in both roles)
4. No Lifts – any couple doing a lift will be disqualified
5. Scoring will be based on solid swing content and technique. Musicality and showmanship will be used as tie-breakers at each judge's discretion

### **PRELIMS:**

1. The number of heats will be dependent on the number of entries
2. Dancers will be paired randomly for the prelim round(s) (and semifinal rounds if needed) and scored as a couple
3. Couples will receive a raw score based on a consistent scale that all judges will abide by; and, all couples are scored
4. Each heat will have a minimum of 3 songs, with each song approximately 2 minutes long

5. The top 16 couples will advance to the Finals

- Note: In the event a dancer needs to dance in multiple Prelim and/or Semifinal heat(s) and advances to the finals with multiple partners, that dancer will only dance as a member of one couple in Finals. In this circumstance, the dancer(s) in the next qualifying placement(s) in that role will advance to the Finals.

- Example: Leader "A" competes twice and places in the top 16 couples with two partners (Followers "X" and "Y"). Leader "A" advances, as do both Followers "X" and "Y". The Leader that placed 17th in Prelims will be advanced to Finals.

FINALS:

1. Each dancer that advances to the Finals is awarded a point value based on their placement with their partner in the Prelims

- The highest ranked couple based on the raw scores is given 1 point (each)
- The second ranked couple are each given 2 points
- This continues through all 16 placements

2. Each Leader and Follower are then randomly drawn into new partnerships for the Finals

3. The raw score for each partner in the new partnerships are then combined

- 1st place leader draws 12th place Follower = 13 points for this couple
- 4th place leader draws 1st place Follower = 5 points for this couple
- 14th place Leader draws 9th place Follower = 23 points for this couple
- This continues to generate a combined score for all 16 couples advancing to the Finals

4. The Tournament Bracket for the Head-to-Head Finals is then

built as follows

- The couple with the lowest combined score is Seeded 1st
- The couple with the next lowest combined score is Seeded 2nd
- This continues through all 16 placements

5. A “Two-Tiered Bracket” is then built, with the following matchups:

- 1st seeded couple against 16th seeded couple
- 4th seeded couple against 13th seeded couple
- 8th seeded couple against 9th seeded couple
- 5th seeded couple against 12th seeded couple
- 6th seeded couple against 11th seeded couple
- 7th seeded couple against 10th seeded couple
- 3rd seeded couple against 14th seeded couple
- 2nd seeded couple against 15th seeded couple

6. The Tournament Finals then has the seeded couples dance against each other for approximately 1 minute

7. After dancing, the couples turn their backs to the judges and the judges vote which couple advances to the next round

8. The Tournament format consists of multiple rounds for the Finals;

- 16 couples – comprising 8 “Head-to-Head” dance-offs
- 8 couples – comprising 4 “Head-to-Head” dance-offs
- 4 couples – comprising 2 “Head-to-Head” dance-offs
- Placement Rounds:
  - o 3rd Place – the couples who do not win in the previous round compete for 3rd Place
  - o 1st & 2nd Place – the 2 remaining couples dance against each other to determine the winner
